I'm happy to have you do most of the talking on the calls. I think we have good materials. And I could pull it off. But just not feeling entirely up to it given some of the pain that I am in and the fact that I don't have a working computer. :-{

Hi Rick – I just forwarded the invite. Since I'm new to the names so can't tell by the invite, I'll check on the DRAs being included.

Hi Ed – I'm attaching the files and put a time on them since there are active users in the docs.

Thanks Shamus. Have the DRAs been invited to the 12:30pm call? Could I also get an invitation?

Hi Ed,

We have the various calls listed in the [PFAS Pesticide Packaging Tick Tock](#) and checking to see what additional support you may need for today's 12:30 call with Regions. Here is the draft [PFAS Packaging, TPs](#) closely follow the language and messaging in the [PFAS Pesticide Packaging, Press Statement](#) and our external versions of the [PFAS Pesticide Packaging, Q&A's](#).

After the Regions call, we can regroup with Diana to make any needed changes to TPs for the NASDA/SFIREG call and States call tomorrow.

Thanks,
Shamus
